

BRAVO

FONTAINEBLEAU BRAVO CARD FOR ANY TEAM MEMBER FROM ANY TEAM MEMBER

WHAT IS THE BRAVO CARD?

The Bravo Card is a way for team members to **recognize** their colleagues for a job well done. The card is blank, so you can write a personal message to any team member and **customize** the card as you wish. The Bravo Card can be **for any team member from any team member**. For example, the Bravo card can be rewarded peer-to-peer, manager-to-director, manager-to-executive, and so on. The possibilities are **endless**. Display them proudly at your desk, carry them with you as a daily **inspiration** or make a fellow team member's day by recognizing them with a Bravo Card.

HOW DOES THE BRAVO CARD WORK?

It's simple! When you see any team member doing something that you feel should be recognized, fill out a Bravo Card and give it to them. **There is no limit to how many you can give or receive or to who you can reward or who can reward you.** You can use the card any way you see fit to recognize someone for playing their part. **Make it your own.**
