

HOW TO FIND DENTIST FOR METLIFE DENTAL (NON-UNION ONLY)

Non-Union Dental Plans are offered through MetLife.

Dental DMO – Safeguard SGX245 (Requires Primary Dentist) In-Network Coverage Only

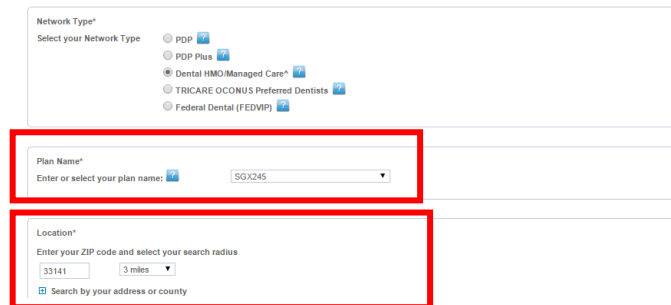

Dental PPO – MetLife (ID Card is not issued with this plan)

1. Go to www.metlife.com

2. In the “I want to find a MetLife...” section, click on “Dentist” and select “Dental HMO/Managed Care” from drop down menu.

3. Select “SGX245” from the Plan Name drop down menu. Adjust zip code radius as desired and click “Search”

4. A list of dentists will appear. To assign a Primary Dentist, you will need to contact MetLife directly at 800-880-1800 and provide the Facility ID #.
