

# We're changing.

# And staying exactly the same.

**DirectPath is becoming Optavise. It's a new name for the same great Advocacy service.**

*Optimal benefits, well advised.* It's what we do.

To better reflect the services we offer, we are changing our name from DirectPath to Optavise. During the transition, you may still encounter the DirectPath name.

Rest assured, we're the same company providing the same top-notch service. Your Advocate will continue assisting with:

- Questions about your benefits
- Claims and billing issues
- Referrals and prior authorization
- Price comparisons for an upcoming procedure or prescription drugs
- Finding a doctor
- Support for diagnosis, procedures and medication options

Advocacy is completely confidential and provided as part of your benefits program at no cost to you.
